

## Black Canyon Bowmen

March 29, 2011

We had a great turn out for our Freeze-Out Shoot, we had 565 shooters and I deposited \$7701.00 from this shoot. We have already ordered our mids and they should be here soon. We decided to get the targets from Larry Velvick's friend, we got 6 gently used targets for 790.00. They range is sizes from a small bear to an elk. We decided after having some problems with dogs on the ranges that I will be making signs to be posted "NO DOGS ALLOWED ON RANGES WITHOUT LEASHES"

Our fun shoot is fast approaching so this was the main topic of discussion. We will be having a BCB BBQ Saturday night April 9<sup>th</sup> 2011. Anyone that would like to join us BCB will be providing the meat and we just ask that you bring a side dish or dessert of some sort. This will take place at the shoot. I will be posting another sign that says "NO SHOOTING SQUIRRELS UNTIL RANGES ARE CLOSED" and another one that says "NO FIREARMS ALLOWED"
